

New Advisory Committee Member

Retiree Frank Fresquez has been appointed to fill a vacancy on the Advisory Committee created by the resignation of retiree-member Erma Zamora. Ms. Zamora had been the longest-serving member of the Advisory Committee. Under the governing law, when a vacancy occurs, it is filled until the next election by the second-highest vote-getter in the most recent Advisory Committee election. Mr. Fresquez is that individual.

Mr. Fresquez retired in 2014 after a 40-year career with the Denver Public Library, culminating as the Manager of the Library's Print and Design Office. He is a life-long Denver resident, active in community affairs in his native northwest Denver. DERP is pleased to have him join the three other members of the Advisory Committee.
