- A network of providers, specialists and hospitals to choose from
- There are more than 61,000 participating pharmacies in our network
- You don't need a referral to see any healthcare provider
- Coverage for office visits, including routine physical exams
- Almost no claim forms to fill out or mail—we take care of that for you
- Dedicated Customer Care specialists who serve only our Group Medicare members

Coverage that fits the way you live

Maximum out-of-pocket protections

When you become a member of the Humana family, you can expect healthcare designed with you in mind—that meets you where you are today and delivers care that takes you to where you want to be.

Care delivered how and where you need it

Worldwide emergency coverage

Many Humana Medicare Advantage plans offer worldwide emergency coverage for sudden illnesses or injuries while traveling outside the U.S. and its territories. This coverage is intended for true emergencies—situations where there is a risk of serious harm to life, limb, or health if immediate care is not received. Members may need to pay out-of-pocket and submit claims for reimbursement.

Benefits that put you first

Programs to help improve health and well-being

Our health and well-being tools and resources make it easy to set health goals, chart your progress, strengthen your mind and body and build connections with others. It's about giving you the things you expect from an insurance company—and then finding more ways to help make your life better.

Know before you enroll

To be eligible for the Humana Group Medicare PPO plan, you must have Medicare Part A and be enrolled in Medicare Part B, as this plan is a Group Medicare Advantage plan.

When does my coverage begin?

Your former employer or union decides how and when you enroll. Check with your benefits administrator for the proposed effective date of your enrollment. Be sure to keep your current healthcare coverage until your Humana Group Medicare PPO plan and PDP plan enrollment is confirmed.

Is your provider and pharmacy in-network or out-of-network?

You can find a doctor or pharmacy in your network by using Humana's Find Care tool, visit **FindCare.Humana.com.**

What does insurance cover?

- Every health plan is different. Check coverage details before you see a doctor, use services or have procedures.
- Sometimes, your plan may not cover procedures and treatments, or may require prior authorization. Knowing what is and is not covered may save you time and money.
- All the details about your coverage may be found in your Evidence of Coverage (EOC) or by signing in to your MyHumana account at **Humana.com/PlanDocuments**.

What if I have other health insurance coverage?

You can enroll in only one Medicare Advantage plan and one Medicare prescription drug plan at a time. Enrollment in these plans will cancel your enrollment in a different Medicare Advantage plan and Medicare prescription drug plan.

If you have other health insurance, show your Humana member ID card and your other insurance cards when you see a healthcare provider. The Humana Group Medicare plans may be eligible in combination with other types of health insurance coverage you may have. This is called coordination of benefits. Please notify Humana if you have any other medical coverage.

Do I need to show my red, white and blue Medicare ID card when I visit the doctor?

No. You'll get a Humana member ID card that will take its place. Keep your Medicare ID card in a safe place—or use it only when it's needed for discounts and other offers from retailers.

What if my provider says they will not accept my plan?

If your provider says they will not accept your PPO plan, you can give your provider the "Member to Provider" information page in this packet. It explains how your PPO plan works. You can also call Humana Customer Care to have a Humana representative contact your provider and explain how your PPO plan works.

What should I do if I need prescriptions filled before I receive my Humana member ID card?

If you need to fill a prescription after your coverage begins but before you receive your Humana member ID card, take a copy of your enrollment confirmation letter to any in-network pharmacy.

Important enrollment information

DERP is offering you the option to enroll in the Humana Group Medicare Advantage preferred provider organization (PPO) plan and a stand-alone prescription drug plan (PDP). If you want to enroll in these plans, please follow the instructions below. Your plans will start on the date set by your benefit administrator. **Enrollment in these plans will cancel your enrollment in a different Medicare Advantage or a Medicare Prescription Drug (Part D) plan. However, if you are currently enrolled in a Medicare Supplement plan, you will have to take action to cancel your enrollment.**

How do I enroll?
If you want to enroll in the Group Medicare Advantage health plan and the prescription drug plan, you can elect your plan online during Open Enrollment (October 12 – November 11) at **www.myderp.org.**

What do I need to know as a member of the Humana Group Medicare PPO and PDP plans?
This enrollment packet includes important information about these plans and what they cover, including Summary of Benefits documents. Please review this information carefully.

Once enrolled, you will receive information on how to view or request a copy of an Evidence of Coverage document (also known as a member contract or subscriber agreement) from the Humana Group Medicare PPO and PDP plans. Please read the documents to learn about these plans' coverage and services. As a member of the Humana Group Medicare PPO and PDP plans, you can appeal plan decisions about payment or services if you disagree. Enrollment in these plans is generally for the entire year.

When your Humana Group Medicare PPO and PDP plans begin, Humana will cover all medically necessary items and services that are covered by the plan, even if you get the services out of network. However, your member cost share may be lower if you use in-network providers. "In-network" means that your doctor or provider is on our list of participating providers. "Out-of-network" means that you are using someone who isn't on this list. The exception is for emergency care, out of area dialysis services, or urgently needed services.

You must use network pharmacies to access Humana benefits, except under limited, non-routine circumstances when you can't reasonably use network pharmacies.

You must keep Medicare Parts A and B as the Humana Group Medicare plan is a Medicare Advantage plan. **You must also continue to pay your Part B premium. If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium.** You can enroll in only one Medicare Advantage plan and one Medicare prescription drug plan at a time. Enrollment in this plan will cancel your enrollment in a different Medicare Advantage plan and Medicare prescription drug plan. You must let us know if you think you might be enrolled in a different Medicare Advantage plan or a Medicare prescription drug plan and inform us of any prescription drug coverage that you may get in the future.

What happens if I don't join the Humana Group Medicare PPO and PDP plans?
You aren't required to be enrolled in either of these plans. You aren't required to be enrolled in this plan. If you don't want to enroll or have enrollment questions, please contact DERP Membership

Release of Information
By joining this Group Medicare Advantage plan and this stand-alone prescription drug plan, you give us permission to share your information with Medicare and other plans when needed for treatment, payment and health care operations.
