Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$1,450 individual / \$2,900 family.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. An embedded plan has individual deductibles and a max out-of-pocket . Cost-sharing begins when the member reaches their individual deductible (including copayment).
Are there services covered before you meet your deductible ?	Yes. Preventive care services and preventive pharmacy are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount, but a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet other deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$2,900 individual / \$5,800 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members on this plan , all family members' expenses will count towards the overall family out-of-pocket limit .
What is not included in the out-of-pocket limit ?	Premiums , balance billing charges.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.denverhealthmedicalplan.org or call 1-800-700-8140 for a list of network providers .	This plan uses Denver Health and Hospital Authority provider network. The Columbine network is used for chiropractic services. Cofinity providers are in-network for outpatient mental health services only. Please be aware, your network provider may use an out-of-network provider for some services (such as lab work). Check with your provider before you receive services. Out-of-network providers are not covered on this plan except for urgent care or emergency.
Do you need a referral to see a specialist ?	No.	You can see any in-network specialist you choose without a referral .
