

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-700-8140. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0 individual / \$0 family.	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. An embedded <a href="#">plan</a> has individual <a href="#">deductibles</a> and a max <a href="#">out-of-pocket</a> . Cost-sharing begins when the member reaches their individual <a href="#">deductible</a> (including <a href="#">copayment</a> ).
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Preventive care</a> services and preventive pharmacy are covered before you meet your deductible.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount, but a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain preventive services without cost-sharing and before you meet your <a href="#">deductible</a> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet other <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$3,000 individual / \$6,000 family.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members on this <a href="#">plan</a> , all family members' expenses will count towards the overall family <a href="#">out-of-pocket limit</a> .
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance billing</a> charges.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.denverhealthmedicalplan.org">www.denverhealthmedicalplan.org</a> or call 1-800-700-8140 for a list of network <a href="#">providers</a> .	This <a href="#">plan</a> uses Denver Health and Hospital Authority provider network. The Columbine network is used for chiropractic services. Cofinity providers are in-network for outpatient mental health services only. Please be aware, your network provider may use an out-of-network <a href="#">provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you receive services. Out-of-network <a href="#">providers</a> are not covered on this <a href="#">plan</a> except for urgent care or emergency.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see any in-network specialist you choose without a <a href="#">referral</a> .
