What do I need to know as a member of the Humana Group Medicare HMO plan?

This enrollment packet includes important information about this plan and what it covers, including a Summary of Benefits document. Please review this information carefully.

Once enrolled, you will receive information on how to view or request a copy of an Evidence of Coverage document (also known as a member contract or subscriber agreement) from the Humana Group Medicare HMO plan. Please read the document to learn about the plan's coverage and services. As a member of the Humana Group Medicare HMO plan, you can appeal plan decisions about payment or services if you disagree. Enrollment in this plan is generally for the entire year.

The exceptions are for emergency care, out of area dialysis services, or urgently needed services. If you get care or services that aren't approved or covered by your plan, neither Medicare nor the Humana Group Medicare HMO plan may pay for these services.

You must use network pharmacies to access Humana benefits, except under limited, non-routine circumstances when you can't reasonably use network pharmacies.

- continued on next page

You must keep Medicare Parts A and B as the Humana Group Medicare plan is a Medicare Advantage plan. **You must also continue to pay your Part B premium. If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium.** You can enroll in only one Medicare Advantage plan at a time. You must let us know if you think you might be enrolled in a different Medicare Advantage plan or a Medicare prescription drug plan and inform us of any prescription drug coverage that you may get in the future.

Building healthy provider relationships

Having a relationship with your primary care provider (PCP) is an important step in protecting and managing your health.

With the Humana Group Medicare HMO plan, you can use any provider who is part of our network. For more information, refer to your Summary of Benefits located in this packet.

Why choose a Humana network provider?

- You'll have a PCP who will help you manage your care, will get to know your overall health history and can guide you toward preventive care to help you be healthy and active.
- If you need to see a specialist, you must first schedule an appointment with your PCP and he or she will provide a referral to an in-network specialist.
- When you need hospital or outpatient care, you may need a referral. Ask your provider to contact us whenever you're admitted to the hospital, we may have advice and special programs your provider can use.
- Humana supplies in-network providers with information about services and programs available to patients with chronic conditions.

Is your healthcare provider in Humana's provider network?

If you need help finding a provider, call our Group Medicare Customer Care team or use our online directory at [Humana.com/Findadoctor](https://www.humana.com/Findadoctor). You can also find a complete list of network providers and pharmacies at MyHumana, your personal, secure online account at [MyHumana.com](https://www.MyHumana.com) or on the MyHumana mobile app (standard data rates may apply).

Medical preauthorization

For certain services and procedures, your provider or hospital may need to get advance approval from Humana before your plan will cover any costs. This is called prior authorization or preauthorization. Providers or hospitals will submit the preauthorization request to Humana. If your provider hasn't done this, please call our Customer Care team, as Humana may not be able to pay for these services.

Use Humana's Find a Doctor tool to search for a provider near you

Choosing a doctor or healthcare facility is an important decision. You can use Humana's Find a Doctor tool to search for an in-network provider near you.

Find a doctor on the MyHumana mobile app

Once you are enrolled with Humana, you can use the MyHumana mobile app to find a provider near you. On the app dashboard, locate the “Find Care” section.

Call our Customer Care team at **866-396-8810 (TTY: 711)**, Monday – Friday, 8 a.m. – 9 p.m., Eastern time.

Telehealth visits are available through your Humana plan

The doctor is in, even if you can't or don't want to go into an office. Telehealth visits allow you to get nonemergency medical care or behavioral healthcare through your phone,* tablet or computer.†

Virtual care where you're most comfortable

Telehealth could be used for chronic condition management, follow-up care after an in-office visit, medication reviews and refills, and much more—just like an in-office visit.

When should I use it? For a nonemergency issue, instead of going to the emergency room (ER) or an urgent care center.

Ask your trusted provider if they offer telehealth visits and if so, what you need to do to get started.

If you don't have a primary care provider or if your PCP doesn't offer virtual visits, you can use the "Find a doctor" tool on **Humana.com** or call the number on the back of your member ID card to get connected with a provider that offers this service.

Connect with someone who cares

Use telehealth services to connect with a licensed behavioral health specialist. These providers are available when you may need them to coach you through many of life's challenges. These providers can:

- Discuss healthy ways you can deal with stress, anxiety or sadness
- Listen without judgment as you talk about your life, relationships and feelings
- Help you set and meet behavioral and emotional goals
- Assist you in developing strategies for living a fuller, healthier life

Ask your trusted provider about any virtual behavioral health options they may offer. One option is Array, a national in-network virtual behavioral health provider. Visit [Arraybc.com/patients/Humana](https://arraybc.com/patients/Humana) or call **888-410-0405 (TTY: 711)** to learn more.

Delivering the care you need securely, conveniently and on your terms—that's human care.

Remember, when you have a life-threatening injury or major trauma, call 911.

*Depending on the initial consultation, video may be required for telehealth visits.

†Standard data rates may apply.

Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any description of when to use telehealth services is for informational purposes only and should not be construed as medical advice. Please refer to your Evidence of Coverage for additional details on what your plan may cover or other rules that may apply.

Medicare Part D prescription medication tiers

Tier 1 – Generic or preferred generic

Essentially the same medications, usually priced differently

Have the same active ingredients as brand-name medications and are prescribed for the same reasons. The Food and Drug Administration (FDA) requires generic medications to have the same quality, strength, purity and stability as brand-name medications. Your cost for generic medications is usually lower than your cost for brand-name medications.

Tier 2 – Preferred brand

A medication available to you for less than a nonpreferred

Generic or brand-name medications that Humana offers at a lower cost to you than nonpreferred medications.

Tier 3 – Nonpreferred medication

A more expensive medication than a preferred

More expensive generic or brand-name prescription medications that Humana offers at a higher cost to you than preferred medications.

Tier 4 – Specialty

Medications for specific uses

Some injectable and other high-cost medications to treat chronic or complex illnesses like rheumatoid arthritis and cancer.

Important information about your prescription medication coverage

Some medications covered by Humana may have requirements or limits on coverage. These requirements and limits may include prior authorization, quantity limits or step therapy. You can visit [Humana.com](https://www.humana.com) to register or sign in and select Pharmacy or call Humana's Group Medicare Customer Care team to check coverage on the medications you take.

Prior authorization

The Humana Group Medicare Plan requires you or your provider to get prior authorization for certain medications. This means that you will need to get approval from the Humana Group Medicare Plan before you fill your prescriptions. The reason a prior authorization is required can vary depending on the medication. Humana will work with your provider when a prior authorization is required. The Centers for Medicare & Medicaid Services (CMS) requires a turnaround time of 72 hours for a prior authorization. However, an expedited review can be requested by your provider if waiting 72 hours may be harmful to you.

Quantity limits

For some medications, the Humana Group Medicare Plan limits the quantity of the medication that is covered. The Humana Group Medicare Plan might limit how many refills you can get or quantity of a medication you can get each time you fill your prescription. Specialty medications are limited to a 30-day supply regardless of tier placement.

One-time transition fill

For certain medications typically requiring prior authorization or step therapy, Humana will cover a one-time, 30-day supply of your Part D covered medication during the first 90 days of your enrollment. Once you have received the transition fill* for your prescription requiring a prior authorization or step therapy, you'll receive a letter from Humana telling you about the requirements or limits on the prescription. The letter will also advise that you will need to get approval before future refills will be covered. A prior authorization will need to be approved or other alternative medications should be tried if the medication requires step therapy.

*Some medications do not qualify for a transitional fill, such as medications that require a Part B vs D determination, CMS Excluded medications, or those that require a diagnosis review to determine coverage.

Step therapy

In some cases, the Humana Group Medicare Plan requires that you first try certain medications to treat your medical condition before coverage is available for a more expensive medication prescribed to treat your medical condition.

Next steps for you

1. Visit **Humana.com/Pharmacy** to view your prescription drug guide. The prescription drug guide will provide information on quantity limits, step therapy or if a prior authorization is required. If you have additional questions, please call our Customer Care number on the back of your Humana member ID card.
2. Talk to your provider about your medications if they require prior authorization, have quantity limits or if step therapy is needed.

Next steps for your provider

1. Go online to **Humana.com/Provider** and visit our provider prior authorization page. This page has a printable form that can be mailed or faxed to Humana.
2. Call **800-555-2546 (TTY: 711)** to speak with our Humana Clinical Pharmacy Review team, Monday – Friday, 8 a.m. – 8 p.m., Eastern time.

How to find the list of medications covered by your Humana Group Medicare plan

View the most complete and current Drug Guide information online.

Humana’s Drug List, also called “formulary,” lists the most widely prescribed medications covered by Humana and is updated regularly by doctors and pharmacists in our medical committee. Updates to this year’s formulary are posted monthly. New medications are added as needed, and medications that are deemed unsafe by the Food and Drug Administration (FDA) or a drug’s manufacturer are immediately removed. We will communicate changes to the Drug List to members based on the Drug List notification requirements established by each state.

If a specific medication you need is not on the list, please call the Customer Care number on the back of your Humana member ID card.

Medical and hospital deductible and yearly limits

Yearly limits - These limits give you financial protection

These limits tell the **most** you will have to pay in 2023 in "out-of-pocket" costs (copays, coinsurance, and your deductible) for medical and hospital services covered by the plan.

These yearly limits are called your "out-of-pocket maximums." They put a limit on how much you have to pay, but they do not put a limit on how much care you can get. This means:

- Once you have reached a limit in out-of-pocket costs, **you stop paying medical claims costs.**
- You keep getting your covered services as usual, and **the plan will pay the full cost** for the rest of the year.

2023 Combined Annual Plan Out-of-pocket

This statement contains claims that were processed in a prior plan year. Below is the adjusted limit information.

In 2023, \$8,850.00 is the most you will have to pay for covered services from providers.

Your Combined Annual Plan Out-of-pocket is:	\$8,850.00

Frequently asked questions

Do I need to show my red, white and blue Medicare card when I visit the doctor?

No. You'll get a Humana member ID card that will take its place. Keep your Medicare ID card in a safe place—or use it only when it's needed for discounts and other offers from retailers.

What should I do if I move or have a temporary address change?

If you move to another area or state, it may affect your plan. It's important to contact your group benefits administrator for details and call to notify Humana of the move.

What should I do if I have to file a claim?

Call Humana Group Medicare Customer Care for more information and assistance. To request reimbursement for a charge you paid for a service, send the provider's itemized receipt and the Health Benefits Claim Form (also available at Humana.com) to the claims address on the back of your Humana member ID card. Make sure the receipt includes your name and Humana member ID number.

What if I have other health insurance coverage?

If you have other health insurance, show your Humana member ID card and your other insurance cards when you see a healthcare provider. The Humana Group Medicare plan may be eligible in combination with other types of health insurance coverage you may have. This is called coordination of benefits. Please notify Humana if you have any other medical coverage.

When does my coverage begin?

Your former employer or union decides how and when you enroll. Check with your benefits administrator for the proposed effective date of your enrollment. Be sure to keep your current healthcare coverage until your Humana Group Medicare HMO plan enrollment is confirmed.

What if my service needs a prior authorization?

If your medical service or medication requires a prior authorization, your provider can contact Humana to request it. You can call Customer Care if you have questions regarding what medical services and medications require prior authorization.

What should I do if I need prescriptions filled before I receive my Humana member ID card?

If you need to fill a prescription after your coverage begins but before you receive your Humana member ID card, take a copy of your temporary proof of membership to any in-network pharmacy.

How can I get help with my drug plan costs?

People with limited incomes may qualify for assistance from the Extra Help program to pay for their prescription drug costs. To see if you qualify for Extra Help, call **800-MEDICARE (800-633-4227)**, 24 hours a day, seven days a week. If you use a TTY, call **877-486-2048**. You can also call the Social Security Administration at **800-772-1213**. If you use a TTY, call **800-325-0778**. Let's talk about the **Humana Group Medicare Advantage Rx Plan.**

Find out more about the Humana Group Medicare Advantage Rx plan – including the services it covers – in this easy-to-use guide.

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. For a complete list of services we cover, refer to the "Evidence of Coverage".

Deductible

Pharmacy (Part D) deductible

This plan does not have a deductible.

Prescription Drug Benefits

Initial coverage (after you pay your deductible, if applicable)

You pay the following until your total yearly drug costs reach **\$5,030**. Total yearly drug costs are the total drug costs paid by both you and our Part D plan.

Tier	Standard Retail Pharmacy	Standard Mail Order
30-day supply		
1 (Generic or Preferred Generic)	\$15 copay	\$15 copay
2 (Preferred Brand)	\$35 copay	\$35 copay
3 (Non-Preferred Drug)	\$40 copay	\$40 copay
4 (Specialty Tier)	\$60 copay	\$60 copay
90-day supply		
1 (Generic or Preferred Generic)	\$45 copay	\$30 copay
2 (Preferred Brand)	\$105 copay	\$70 copay
3 (Non-Preferred Drug)	\$120 copay	\$80 copay
4 (Specialty Tier)	N/A	N/A

There may be generic and brand-name drugs, as well as Medicare-covered drugs, in each of the tiers. To identify commonly prescribed drugs in each tier, see the Prescription Drug Guide/Formulary. To view the most complete and current Drug Guide information online, visit www.humana.com/SearchResources, locate Prescription Drug section, select www.humana.com/MedicareDrugList link; under Printable drug lists, click Printable Drug lists, select future plan year, select Group Medicare under Plan Type and search for GRP6.

Important Message About What You Pay for Vaccines – Our plan covers most Part D vaccines at no cost to you (even if you haven't paid your deductible, if applicable). Call Customer Care for more information.

Important Message About What You Pay for Insulin – You won't pay more than **\$35** for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.

ADDITIONAL DRUG COVERAGE

Original Medicare excluded drugs

Certain drugs excluded by Original Medicare are covered under this plan. You pay the cost share associated with the tier level for certain Erectile Dysfunction drugs. The amount you pay when you fill a prescription for these drugs does not count towards qualifying you for the Catastrophic Coverage stage.

Contact Humana Group Medicare Customer Care at the phone number on the back of your membership card for more details.

Coverage Gap

Most Medicare drug plans have a coverage gap (also called the "donut hole"). The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches **\$5,030**.

You will continue to pay the same amount as when you were in the initial coverage stage.

Catastrophic Coverage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach **\$8,000**, you have a **\$0** copayment.
